SUMMARY

Computer Science student with strong foundation in software engineering, AI-driven applications, and full stack development. Experienced in building intelligent systems using Python, Generative AI tools, and modern web technologies. Interested in developing scalable AI solutions and real-world machine learning applications.

SKILLS

- **Programming Languages:** Python, Java, JavaScript
- **AI / ML:** Generative AI, Natural Language Processing (NLP), AI APIs, Prompt Engineering
- **Frameworks Technologies:** HTML5, CSS3, REST APIs, React.js, Node.js, Express.js
- **Databases:** MongoDB, SQL
- **:** HTML5, CSS3, REST APIs
- **Tools:** Git, GitHub
- **Concepts:** Object-Oriented Programming (OOP), System Design Basics, SDLC

EXPERIENCE

Software Development Intern

Feb 2026

Tap Academy

- Undergoing intensive training in Core Java, Advanced Java, and full stack development.
- Implementing real-world applications using modern web technologies and databases.
- Practicing problem solving and data structures to strengthen algorithmic thinking.

PROJECTS

AI-Powered Healthcare Diagnosis Platform

2025

MERN Stack, Generative AI, Python

- Developed an AI-driven healthcare platform that analyzes user symptoms and provides possible medical insights using generative AI models.
- Built a full stack application using MongoDB, Express.js, React.js, and Node.js integrated with Python-based AI services.
- Implemented intelligent symptom analysis and chatbot-style interaction to assist users in preliminary health assessment.

CureQueue — Healthcare Management System

2024

- Designed a web-based healthcare management system to streamline patient appointments and doctor scheduling.
- Implemented role-based dashboards for patients and administrators with real-time booking functionality.
- Built REST APIs and database integration for managing patient records and appointment workflows.

EDUCATION

B.E. in Computer Science and Engineering

2022 – 2026

Maratha Mandal's Engineering College, Belagavi (CGPA: 8.15)

PUC (Science)

2020 – 2022

Maratha Mandal PU Integrated College (60.83%)

SSLC

Model English Medium School, Belagavi (65.76%)

2010 – 2020

CERTIFICATIONS

Java Full Stack Development Internship Certificate — Tap Academy *Feb 2026 – Present*

- *Feb 2026 – Present*
- **Web Development Certification** — UpGrad, 2023

ACHIEVEMENTS

- Participated in Hack to Future '24, Clash of Codes '24, Hack to Intern '24
- Presented technical project architecture to peers and mentors
